Subject: Kalispel Tribe Clean Air Redesignation Request

Kalispel Tribe:

I sent this to your email address, Congresswoman Rodgers and Pend Oreille County Supervisors yesterday but your email was returned.

Honorable Public Representatives:

Attached are my comments about the subject listed above. I have great respect for my neighbors at the Kalispel Tribe but I believe that this request is harmful to the other citizens of the County as stated in my letter.

Thank you for time and attention.

Regards,
